

## Strategic Plan – Oversight Group

The Oyster River School board has committed to the development of a District Strategic Plan by June 2010. An important next step will be to form a representative group of interested people to help shape and oversee this exciting work. If you are interested in representing the school community at large, and would like be considered as a candidate for this committee, we encourage you to:

- Submit a brief letter of interest, including any special qualifications and experiences.
- Also note any ties that you have to the school district (kids in school, volunteering, etc.)
- Please note we are seeking a broad range of community members including those with and without past/current ties to the district.

The oversight group will be made up of 23 individuals including the facilitator.

- 1 Facilitator \*(Description below)\*
- 8 Teachers (2 from each school)
- 1 Building Administrator
- 1 Central Office Administrator
- 2 School Board Members
- 2 High School Students
- 8 Community Members (at least 1 member from Durham, Lee, Madbury)

\*Facilitator - We are seeking an independent party who will help us facilitate this process. This person will work to help the Oversight Group develop a plan to ensure that all stakeholders are represented in working to identify common goals/objectives for the district. This person will help plan focus groups, possibly moderate (or help find a moderator for) focus groups and write a report detailing the data gathered at these groups and/or community engagement evenings. The facilitator may also be needed to help the Oversight Group plan a timeline and ensure that the School Board is kept up-to-date with periodical updates.

If you are someone who is organized, welcoming, respectful of different points of view, and seeking to hear from the entire community, then ORCSD would love to hear from you.

Please return your letter to the Central Office, attention Wendy DiFruscio, Administrative Assistant to the Superintendent by June 8<sup>th</sup> 2009.
