

**DURHAM CONSERVATION COMMISSION**  
**Minutes to special meeting to review proposed zoning changes to overlay districts**  
17 February 2005

**Meeting called to order at 7:15pm**

Members Present: Cynthia Belowski, Duane Hyde, Peter Smith, and Kevin Webb.

**Durham Shore land and Wetland Overlay Districts**

- 1) Shoreland Overlay District – the review of the proposed changes to the Shoreland Overlay District was completed. Kevin Webb recorded recommendations/suggestions and will present to the rewrite committee.
- 2) Wetlands Overlay District – the committee decided to defer a review of the proposed changes until our next regularly schedule monthly meeting. Kevin noted that with the amount of work the rewrite committee has there is no need for us to have a special meeting to complete the review before our next meeting.

**Adjournment** – Meeting ended at 9:00pm
