Joan Graf

MEMBERS ABSENT Malcolm Sandberg, Town Council Representative:
Leslie Schwartz

Meeting concerning DURHAM HISTORICAL ASSOCIATION's APPLICATION FOR INSTALLATION OF AC IN THE MUSEUM, 2d floor of the COURTHOUSE.

SITE VISIT FOR LOCATION OF AC COMPRESSOR

Sandy Amell, President Durham Historical Association walked with the HDC members and viewed the proposed location of the CARRIER AC compressor. The unit proposed is a 3ft square compressor (cube) to be positioned on the Rte 108 side of the building near the basement steps.

The location for the AC compressor was agreed upon.

The motion was made by Nick Isaak to **approve this location with the stipulation that the unit would be screened by evergreen shrubbery and that the unit would be moved to a more discreet location when/if land adjacent to it was available.**

The motion was seconded by Andrea Bodo. The vote was approved unanimously.

The site walk ended at 7:30-pm.

Minutes taken by,
Andrea Bodo, secretary HDC
