This application was withdrawn. Chair Isaak spoke to the applicant. No need for an application before the HDC.

IV. Old Business

Discussion of Henry Smith's effort to try to fill out the standard inventory form for historic properties. He will continue to work on this and we suggested he keep track of the time commitment so that we can let property owner know.

Crawford will bring his book of Durham historic homes to the next meeting.

We had a visit from a member of the local Boy Scout troop, working on a merit badge.
