**DURHAM HISTORIC DISTRICT COMMISSION
MEETING MINUTES
January 3, 2008**

Members Present: Nick Isaak, Leslie Schwartz, Henry Smith, Town Council
Representative, Annmarie Harris, Planning Board Representative

Members Absent: Erich Ingelfinger, Crawford Mills, Roger Jaques

- Did not approve 12/6/07 minutes.
- Discussed whether or not we should try to approve minutes via e-mail since we often do not approve them because attendees are not present who were at the original meeting.
- Continued discussion of Henry Smith's progress on his filling out of the historic property inventory form for his property. We suggested he track his time and expenses so that we could better inform others who may wish to do this for their property.
- No new business.

Respectfully submitted by Nick Isaak, Chair
