

## Minutes for Tuesday, March 11, 2008 IWMAC Meeting

Members in attendance:

Chuck Baldwin	Doug Bullen
Neal Ferris	Kimberly Nadeau
Nell Neal	Shelley Mitchell

Minutes of March will be presented for approval at May 13 meeting

Kim Nadeau passed to members a rough draft of Spring 2008 newsletter.

Content, deadlines, and dates discussed.

Make a request for new members especially a secretary.

Scott Cloutier's Clean Sweep proposal will be moved to May's meeting for discussion.

Doug Bullen from Public Works presented solid waste division data.

Of note: By recycling, the Town of Durham avoided tip fees worth \$64,020.00  
AND earned revenue of \$49,893.00

Nell Neal asked questions concerning CFL's (Compact Fluorescent Lighting)  
Committee discussed proper usage and disposal of CFL's concerning increased  
residential usage.

Durham's Spring Cleanup dates are April 28 – May 9

Overhang addition needs structural engineer approval before moving forward.  
Goal is to break ground in spring.

Chuck Baldwin requests that Swap Shop Rules be laminated and posted at Swap Shop at  
the Suggestion Box location. Doug Bullen will get this done and post CFL legislation  
new in 2008: Legislation states that CFL's must be recycled not put in garbage.

Neal Ferris asks about recycling 'other' plastics (#'s 3, 4, 6, 7). At this time there is not a  
viable market for 'other' plastics but DPW will monitor the options as this area becomes  
available.

Discussion of deadline dates for sending interested members to NRRA (New England  
Recovery Association) Conference June 9 & 10. [www.NRRA.net](http://www.NRRA.net)

Committee thanks Shelley Mitchell for her dedication and efforts. Shelley has resigned  
her position effective now.

Integrated Advisory Committee has 2 openings for volunteers.

Shelley Mitchell motions to adjourn meeting
