

**175-126. Types of Signs Permitted.**

*Sandwich Board Signs.* The message area shall not exceed six (6) square feet in size on each side of a two sided sign. The Sandwich Board Sign shall be no wider than two (2) feet and no taller than three (3) feet. The location of all sandwich board signs shall be limited to the outer edge of the sidewalk within the public ROW and shall be no closer than within one (1) foot of the curb line. The sandwich board sign placement shall be within ten (10) feet of the primary entrance of the establishment (unless the entrance is located such that this is not possible), shall not obscure or impede pedestrian travel, and shall allow a minimum of a four (4) foot accessible path along the side walk.
