CAPITAL IMPROVEMENT PROGRAM

PROJECT YEAR	2023-2025	PROJECT COST	\$104,000/year
DESCRIPTION	Replace VenTek Parking Kiosks	DEPARTMENT	Parking
IMPETUS FOR PROJECT (IE. MANDATED, COUNCIL GOAL, DEPT INITIATIVE, ETC.)			
This is a proposal to consider the replacement of the 27 parking kiosks that are currently in service throughout the Town of Durham. The total would replace all the kiosks but is suggested that the project be accomplished over three (3) years with nine (9) replaced each year			
DESCRIPTION (TO INCLUDE JUSTIFICATION)			
The Town of Durham has had a long standing relationship with the VenTek Corporation for providing parking kiosks that oversee payments via the park and display system. In this manner, the customer parks their vehicle, walks to a conveniently located kiosk and pays with cash, credit or debit card. They retrieve their receipt from the kiosk and place the receipt on the dashboard of their vehicle to demonstrate that they have paid for the parking rights. Many of the machines are now approaching 10 years old and a plan should be formulated to ensure that there is appropriate planning for replacement/upgrade of existing infrastructure. This is a CIP item that can be extended with the knowledge that replacement will need to occur in the near future.
