Committee Members Present

Emily Friedrichs, Planning Board representative

Paul Rasmussen, Planning Board representative

Neil Slepian, Conservation Commission representative

Dwight Trueblood, Conservation Commission alternate

Michael Behrendt, Town Planner

Neil had to leave at 9:45 am. The committee discussed documents provided by Emily about standards in Portsmouth, Fremont, and Rye, including issues related to septic tanks and leach fields, impervious surfaces, whether the Planning Board should require that violations be corrected as part of an application, fences and wildlife corridors, and solar panels.

Respectfully submitted.

Michael Behrendt, Town Planner
