

# THE TRUST *for* PUBLIC LAND

CONSERVING LAND FOR PEOPLE

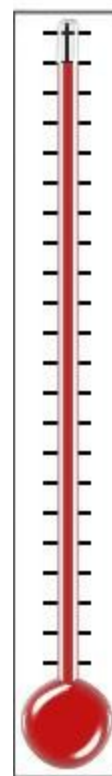

## Campaign News Flash #4

February 8, 2013

### **The Sprucewood Forest on the Oyster River Durham, New Hampshire**

#### **Leadership Gift Accelerates Progress on Sprucewood!**

- ⇒ The Trust for Public Land is delighted to announce a new leadership gift of \$150,000 from Tom Haas in Durham! We want to take this opportunity to thank Tom, a member of TPL New Hampshire's Advisory Board, for his vision and generosity to get us that much closer to our campaign goal. This gift has built momentum in the campaign and leveraged several additional gifts including two significant anonymous donations.
- ⇒ We now have a gap of just 3% of our total project cost of 4.1 million (\$122,000). The clock is ticking toward our urgent deadline of March 29, 2013!
- ⇒ If you would like to make a new or additional gift in calendar year 2013, please access our donation form [here](#).
- ⇒ We continue to offer site walks or snowshoe tours for those who would like to experience the Sprucewood Forest and fields personally. The property is magical in the snow!
- ⇒ Thank you for your ongoing advocacy and support as we work together to cross the finish line in the next 50 days!

**\$4,082,500**  
**Goal**

**\$3,960,328**  
**97% Committed**
