Dear Parks and Recreation Committee Members and Friends,

Enclosed please find the Council Communication which presents the final design for the Woodridge Playground along with an explanation of how we arrived at this plan. The Town Council will decide whether or not we may move forward with this project at the Council meeting on Monday evening June 21, 2004.

Also enclosed is the agenda for this meeting. I've highlighted where I will present the design as well as the Public Comments section. If you would like to speak in favor of this project the only allowable time is during Public Comment. Your support would be most appreciated.

I look forward to seeing you on Monday night. Thanks again for all of your hard work with these most worthy projects.

Sincerely,

Michael Lynch
Director of Public Works

Cc. T. Selig, Town Administrator
