[UNH Sustainability Capstone Request for Proposals](#)

If you could benefit from 3-4 highly motivated students working to move your sustainability related initiative forward, I'd love to hear from you! Students would spend approximately 20 hours/week collectively from late August-early December or late January-May on your project.

Project topics can be wide ranging, but need to:

- 1. be related to sustainability
- 2. address an identified community need
- 3. have some kind of research component (lit review, interviews, survey, data collection of some sort to answer a question or generate new information)
- 4. have a project mentor who can advise the students regularly (approx. 1 hour/week) and have realistic objectives/deliverables that students can complete in over the course of one semester.

- IV. Activities towards 2025 Goals (45 minutes)**
 - a. EV Ordinance – (Goal 4) – Mike L – Next step: Planning Board
 - b. Durham Day Aug 7th (Goal 2&5) – Discuss plans for DEC table/presence
 - c. CPCNH Updates (Goal 1) – Steve H.
- V. New business (time permitting)**

Note. This is a public meeting, and the public is welcome to attend in person. The public will be welcome to speak at the meeting at the discretion of the committee.

Communication aids. Please provide the Town 48-hours' notice if special communication aids are needed.
