## FEE CALCULATION

- For all work, ***except for LP Tanks, LP/NG Piping, Generators and work done under an existing building permit***, there is a Building Department fee based on the cost of construction:

Cost under \$2,000

Fee = \$25

Cost over \$2,000

Fee = \$15 per thousand

- In addition to the Building Department Fee, there is a Fire Department fee as per listed below:

Oil Tank

Fee = \$50 each

Oil Burner

Fee = \$50 each

LP Tank

Fee = \$50 each

LP Appliance

Fee = \$50 each

NG Appliance

Fee = \$50 each

LP/NG Piping

No Fee

Wood Stove

Fee = \$25 each

Pellet Stove

Fee = \$25 each

Generator

Fee = \$50 each
