

## Firefighter Artie Boutin Completes Fire Officer II Training Program

Firefighter Artie Boutin recently completed the Fire Officer II Training Program at the NH Fire Academy in Concord, NH.

This course is based on National Fire Protection Association (NFPA) standards and is designed for the Fire Officer who is ready to assume more of a leadership role by moving into the middle management level of his department. This course expands on the knowledge base attained in Fire Officer I by revisiting some of the same subjects and adding additional material including management, government structure, and departmental budget planning and management. This intensive multi-week course requires a dedicated and substantial time commitment by those attending the course.

Congratulations to Artie on successfully completing this valuable training program!
