Neighborhood Lights:

The Town of Durham's available emergency services units will be conducting a rolling community visit through some of Durham's neighborhoods tonight, April 3, 2020 between 6:00 and 7:00 PM.

An apparatus parade will trail through the following streets twice: Buck's Hill, Partridge-Berry Lane, Sumac Lane, Daisy Lane, Ambler Way, Gerrish Lane, Sophie Lane, Noble K. Peterson Drive, and Strout Lane.

The intent of this visit is to spread cheer by giving the kids and families something to look forward to as well as to let the community know that their emergency responders are still here and available to respond. Different neighborhoods will be visited each week.

This event subject to pending emergency or service responses.
