**Site Walk Minutes – Historic District Commission
26 Newmarket Road
August 19, 2020 – 5:15 p.m.**

Historic District Commission

Andrew Corrow, chair
Larry Brickner-Wood, vice chair
Charlotte Hitchcock
Michael Hoffman
Carolyn Singer
Aaron Wolfson-Slepian
Michael Behrendt, Town Planner

Applicant

Alyssa Murphy, architect
Chris Redmond, contractor

Others

Janet Mackie, Durham Historic Association
Nancy Sandberg, Durham Historic Association

The meeting commenced at 5:20 p.m. Alyssa Murphy provided an overview of the project. Chris Redmond pointed out the markings for the corner of the proposed building. Alyssa Murphy said the applicant wishes to remove the request to relocate the granite posts from this application. It was agreed the group would look at the posts in the event that the applicant wishes to remove them in the future.

The group walked around the proposed building and into the rear yard, pointing out the location of the rear of the proposed building, the trees proposed to be removed, the sheds proposed to be removed, and changes that would be made to the rear of the house. It was noted that a fence is proposed for the rear yard. There was some discussion about the granite posts proposed to be relocated from the rear/westerly area. It was noted that the posts are quite large and are situated in a treed area.

There was general discussion about the project. The meeting adjourned around 6:00 p.m.

Respectfully submitted.

Michael Behrendt, Durham Town Planner
