Dear Sally:

Today's mail brought your note that you would like to borrow three of the Historic American Buildings Survey photos of the Durham Town Hall for the next Association newsletter.

I enclose the three prints. We'd appreciate having them back after you use them.

Regarding blueprints (diaz prints) for the Town Hall, there are twenty-two sheets, as shown on the enclosed printout. Prints of these sheets may be ordered from the Prints and Photographs Division of the Library of Congress. The full address of the Division is given on the enclosed fact sheet. Our most recent price list (enclosed) dates from 1988, so it would be wise to inquire about current prices. If you want to inquire by telephone, the number for pricing information is (202) 707-6399. The number to place an order is (202) 707-5640.

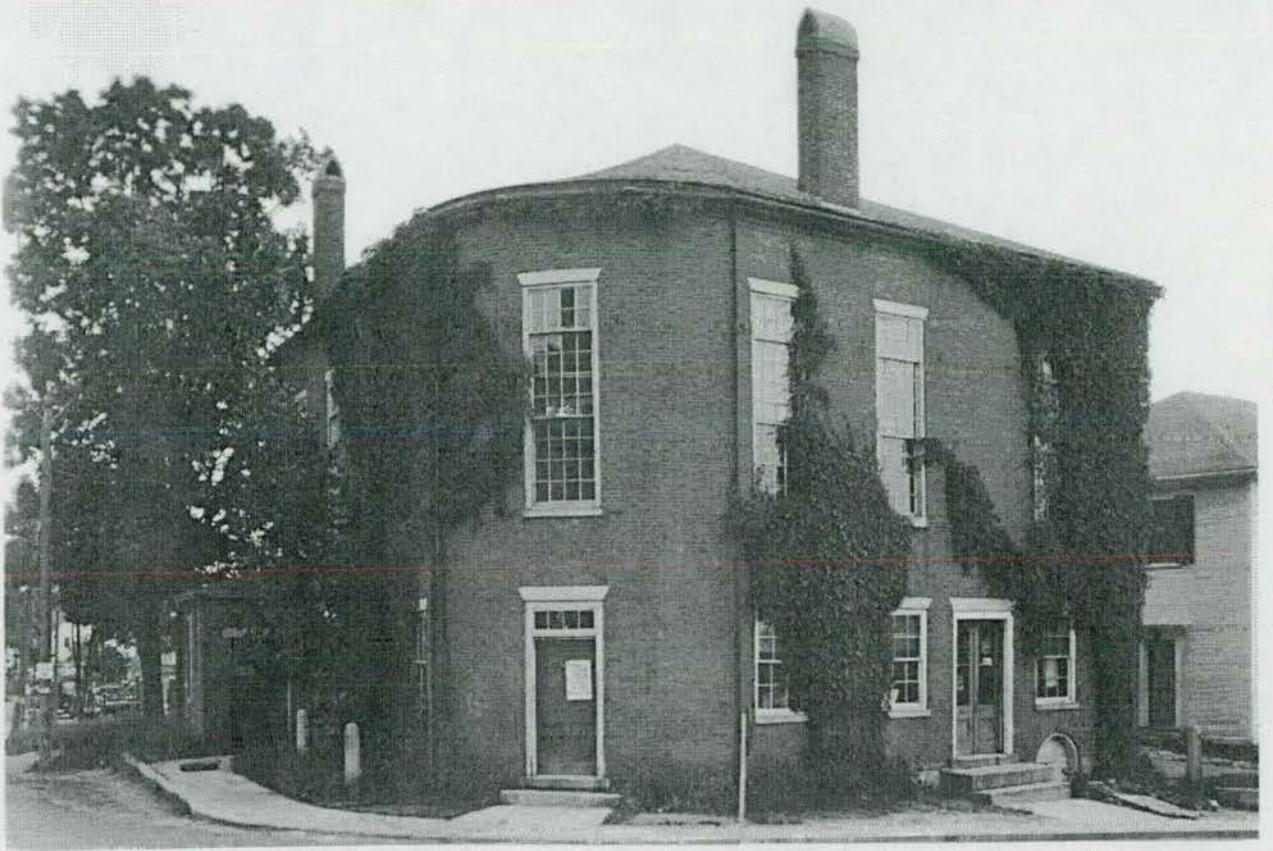

Hope this information is helpful.

With best wishes,

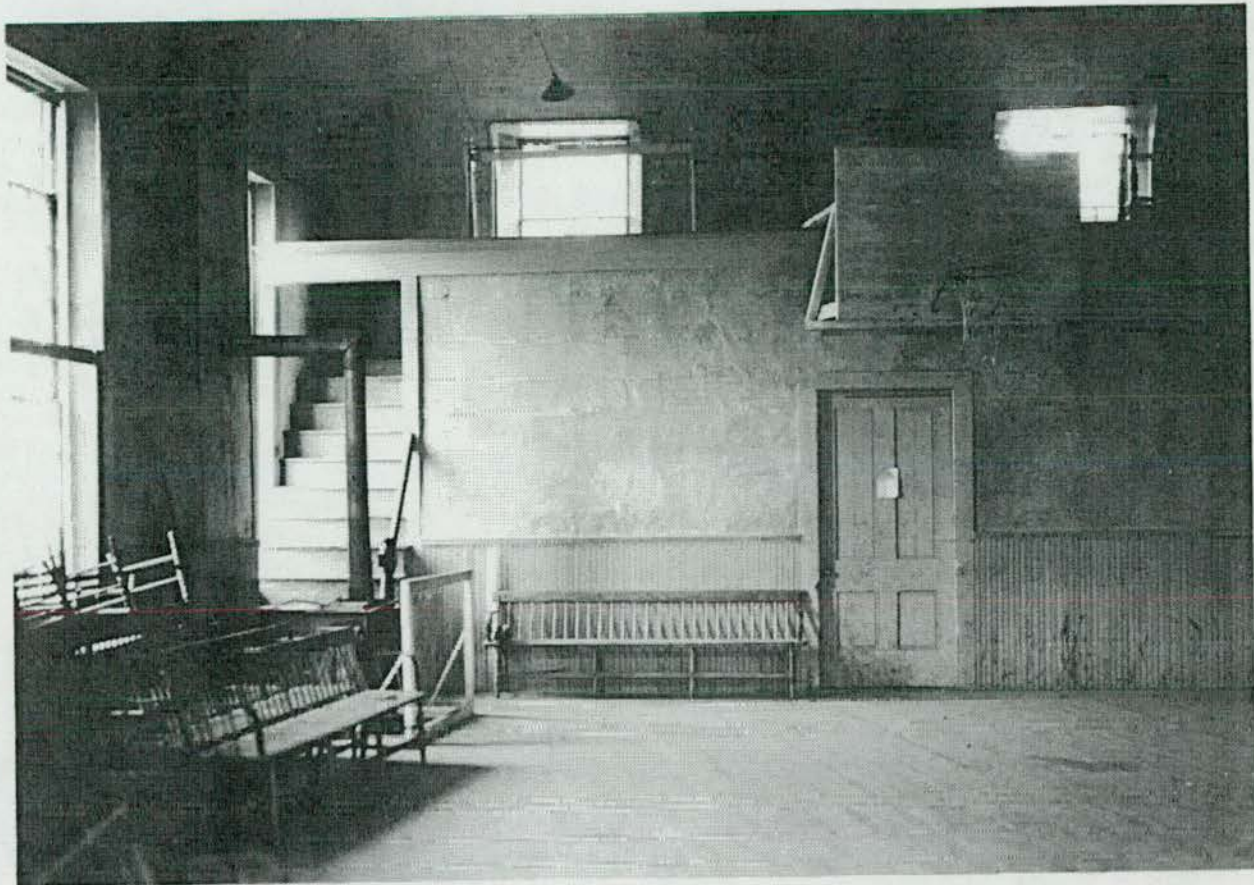

Sincerely,

James L. Garvin
Architectural Historian
