Digital Photography Statement

I, the undersigned, confirm that the photos in this inventory form have not been digitally manipulated and that they conform to the standards set forth in the NHDHR Photo Policy. My camera was set to the following specifications: "fine" image quality (compression ratio 1:4) and "large" image size (3008 x 2000 pixels). These photos were printed using the following: Epson SureColor P600 photo printer on Epson Ultra Premium Photo Paper, glossy. The digital files are housed with Preservation Company in Kensington, NH.

Lynne Emerson Monroe, Preservation Company

Digital Photo Log

The photos for this project are named: UNH_001 through UNH_095 where the last two digits are the photo number.
