Re: Tideline Public House, 15 Newmarket Road – screening for gas meter

Dear Scott,

The Durham Historic District Commission reviewed your application for screening of the gas meter at 15 Newmarket Road at its meeting on May 4. The application was approved as submitted with the following clarifications:

- The meter must be painted white pursuant to the prior approval of the gas meter.
- You can select either the Holly or Boxwood shrubs which you submitted to the commission. The shrubs will fully screen the gas meter and they will be installed on both sides of the front entrance as presented.
- The shrubs must be maintained in perpetuity.

Thank you for your cooperation in the review process.

Sincerely,

Michael Behrendt, Town Planner
