**Re: St. George's Church – Solar Array**

Dear Scott,

The Durham Historic District Commission approved your application to install a freestanding solar array at St. George's Church at its meeting on March 7, 2024. The application was approved as submitted. As you know, your application for site plan review must be approved by the Planning Board.

Please coordinate with Audrey Cline, Code Administrator, for the necessary building permits, once the review process is complete. Thank you for your cooperation in the review process. My best regards.

Sincerely,

Michael Behrendt, Town Planner
