- goes to local farms

Recycling –

- Common Sortable items
- Where to drop off the items
- Why only alum cans
- hyperlinks to further help define which items are recyclable

Solid Waste - Will pick up here next meeting

Swap Shop -

- shopping too

FAQ at the bottom:

- no mixed material items
- a triangle does not always mean it is recyclable
- Contamination is detrimental to recycling

A discussion on how to collect resident questions as a response to Friday Updates; google forms, email domain.

JeopardyLabs.com as an evening community online event

The next workshop meeting will be devoted to FAQ's.
