

IWMAC Meeting Minutes - Draft
Durham Town Hall, 2nd floor Conference Room
May 17, 2023, 8am

In attendance: Carden Welsh, Julie Kelley, Mary Caulfield, Sally Needell, Sam Hewitt, Heather Grant, and Naomi Kornhauser

Heather Grant was introduced as the new Planning Board rep.

Lawn signs. At last meeting Nell suggested using remaining grant money to print steel signs to display in tandem with our educational campaigns. At that time Naomi offered to submit designs at June 7 meeting, and today she asked for guidance in choosing messages.

- Signs will cost \$60 each: \$30 to Portsmouth Signs for printing + \$30 for DPW to add post, either metal or wood.
- We will create 4 different signs with messages drawn from NRRA graphics (but simplified) for Recycle Right, Composting, Aluminum Recycling, and Reduce/Reuse.
- Each design will include “See Durham Friday Updates,” where residents can access helpful information on that topic.

Durham Day

- Hours are 12:30 – 3. Set up at noon.
- Sally and Sam will meet with Jim Lawson later today to pick location for tables.
- Sally, Sam, Susan, Mary, and Julie will be there most of the day. Naomi will help set up.

Next meeting will be on June 7.
