

Donate to the *new* Durham Town Land Stewardship Patron's Trust!

Durham's Land Stewardship Subcommittee has spearheaded management on several town-owned conservation areas, funded by grants, private donations, and town funds. To maintain healthy waters, habitats, and forests and improve public access and enjoyment on all conservation areas—needs identified in property management plans--additional funds are needed. To meet these needs, the Town Council created the "Durham Town Land Stewardship Patron's Trust."

Private donations to the Patron's Trust are used for stewardship activities on Durham conservation areas, guided by the Land Stewardship Subcommittee in collaboration with the Trustees of the Trust Funds and Conservation Commission. The Patron's Trust augments town funds and grants to manage wildlife habitats and forests, protect water quality, and enhance the Town's recreational trail system by building and maintaining trails and other infrastructure, such as bridges, parking areas, kiosks, signs, maps, and other interpretive materials.

PLEDGE FORM

Contributor Information

Name _____

Address _____

Email _____

Telephone _____

I would prefer this donation in my name be kept confidential.
