

Camp R.E.A.C.H. Program Descriptions SUMMER 2015

Durham Parks & Recreation is teaming up with *Wicked Cool for Kids*, *Seven Rivers Paddling*, and *Archery in Motion* to offer exclusive professional, fun, high quality camps this summer!

Week 1: July 14th – July 16th (T-Th)

Archery

9:00am-12:00pm @ Jacksons Landing
Entering Grades 4-8

Learn precision, focus, and accuracy, using traditional bows and arrows. Campers will also have the opportunity to use Olympic Style equipment during this fun filled three day camp.

Cost: \$120

Half Day Kayaking: Friday, July 17th

9:00am-1pm @ Jacksons Landing
Entering Grades 4-8

Whether you're an experienced paddler, or just starting out, this trip will take you to the next level. Spend a day exploring the beautiful Oyster River. Starting at Jackson's Landing, we'll paddle toward Little Bay, keeping our eyes open for the chance to see a swan, great blue heron, fox, and other exciting wildlife. After getting up close and personal with some Great Bay islands, we'll head back to Jackson's Landing for kayak games and a debrief of the local ecosystems discovered.

Cost: \$60

Week 2: July 20-24(M-F)

Wicked Cool Pet School

9:00am-4:00pm @ Jacksons Landing
Entering Grades 1-5

Dogs, cats, fish, birds, and more! Spend the week learning about the creatures we call "pets". Campers will build big bones, make animal models, and even dissect an owl pellet to discover the predator's diet. At the end of the week, we'll interact with live animals!

Cost: \$275

Half Day Kayaking (M-F)

8:00am-12:00pm @ Jacksons Landing
Entering Grades 4-8

Whether you're an experienced paddler, or just starting out, this trip will take you to the next level. Spend the week exploring beautiful Oyster River. Starting at Jackson's Landing, we'll paddle toward Little Bay, stopping at many islands and inlets along the way, learning about the diverse local wildlife and ecosystems. We'll also work on improving paddling techniques!

Cost: \$285

Week 3: July 27 -31 (M-F)

Nature Explorers

9:00am-12:00pm @ Jacksons Landing
Entering Grades K-5

From glaciers and climate change to growing fruits and vegetables, this week will give you a taste of all things nature! Learn how to start your own garden, watch birds through your homemade prisms and binoculars. Explore natural resources, local fur, fangs, and feathers! Learn what you can do each day to protect them! It's wicked cool to GO GREEN!

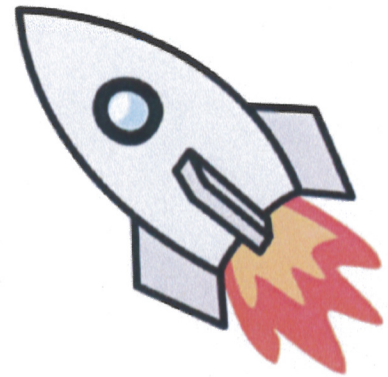

Cost: \$175

Rocket Science

1:00pm-4:00pm @ Jacksons Landing

Entering Grades K-5

Calling all rocketeers! Learn what it takes to get a rocket from earth to space, experiment with chemicals and the laws of Aerodynamics. Learn about propulsion, build your own compressed air rocket, and watch it blast off! into space with a chemical reaction.

Cost: \$175

Full Day Kayaking (M-F)

8:00am-4:00pm @ Wagon Hill Farm

Entering Grades 4-8

Whether you're an experienced paddler, or just starting out, this full day, full week camp will take you to the next level. Starting at Wagon Hill Farm we'll spend the entire week exploring Great Bay and surrounding islands, learn map and navigation skills, wildlife identification, advanced paddling skills, and more.

Cost: \$345

Parks & Recreation
Week 4: August 3- 7 (M-F)

Lego Engineering

9:00am-12:00pm @ Jacksons Landing

Entering Grades 1-5

Take your Lego creations to a whole new level using gears, flywheels, and cams to build amazing contraptions. Carry a mini car uphill, beat an egg, and more using your creation

Cost: \$175

Kids' Cool Chemistry

1:00pm-4:00pm @ Jacksons Landing

Entering Grades K-5

Calling all chemists! Find out the chemical properties of rainbow slime, build a super bouncy ball, analyze mystery liquids, and create your own colored paste. Have you ever blown a bubble that won't pop? Now is your chance! Grow beasts out of a cup and create explosions; this isn't our typical science class!

Cost: \$175

Week 5: August 10-14 (M-F)

Wicked Cool Vet School

9:00am-4:00pm @ Jacksons Landing

Entering Grades 1-5

Dogs, cats, fish, birds, and more! Spend the week learning about the creatures we call "pets". Campers will build big bones, make animal models, and even dissect an owl pellet to discover the predator's diet. At the end of the week, we'll interact with live animals!

Cost: \$275
