The original amendment would allow for four stories by right and five stories by conditional use. This revision to the original amendment prepared by the Town Council would allow four stories with either a pitched roof with dormers or a fourth story with a setback (and no fifth story). Recommended action: Recommendation from the Planning Board back to the Town Council.
- IX. **Public Hearing - Proposed Zoning Amendment to Change Height Limit in CB-1.** An amendment proposed by the Planning Board to establish a new height limit for all of the Central Business-1 District. Four stories and a 50-foot height would be permitted by right through all of CB-1. Presently, the limit in the westerly section of CB-1 is four stories by right and five stories by conditional use. The limit in the Easterly section of CB-1 is three stories by right. Recommended action: Decision whether to initiate the amendment.
- X. **New State Laws.** Proposed amendments to the Zoning Ordinance to comply with recently adopted state laws affecting land use. The amendments pertain to municipal restrictions on dwelling units, accessory dwelling units, and multi-unit residential on commercial land. The Planning Board initiated a set of amendments which were forwarded to the Town Council. The Town Council has sent back the proposal with one recommended change. Recommended action: Schedule a public hearing on the draft with the change proposed by the Town Council.
