Re: Tree cutting on Packers Falls Road

Dear Bob,

At its meeting on July 8, 2015, the Durham Planning Board approved your application for tree cutting on Packers Falls Road, a scenic road, in accordance with RSA 231:158, as follows:

- The application was approved as submitted
- This includes removal of the 10 trees identified on the updated list of "Failure Prone Trees."
- This includes the removal of limbs and brush as described in the application

Thank you for your cooperation in the review process.

Sincerely,

Michael Behrendt
Director of Planning and Community Development
Town of Durham
