RE: Landscaping Re-Planting Plan

Joe:

We had a meeting Monday November 2 to discuss the site walk that had taken place on Oct 30<sup>th</sup>; it was attended by:

Bert Gerbracht	Kathy & Marty Hall
Judy & Jack Curran	Cheryl Hempen
Cindy & Dave Limauro	Kam Damtoft
Darrel Ford	Chris & Steve Holmgren
Rosemary Wang	Sue & Brent Sadler

Our goal was to exchange information about what we heard and saw during the walk, and to expedite (if possible) the next steps. After good discussion on a variety of issues, the consensus was to send you this letter stating:

- The residents listed above **support** the proposed Re-planting Plan as outlined in the diagram "Perley Lane Landscaping As-Built and Re-Planting Plan, Date: 9-14-15" provided by Joe Caldarola. This re-planting is to address the concerns of the Conservation Commission.
- The affected homeowners will work with Joe to select plants for their area that are approved by the Conservation Commission.

We hope that having this letter before the Conservation Commission meeting on Nov 12 will clarify the homeowners' opinion in the matter.

Several homeowners also plan to attend the Conservation Commission meeting.

Sincerely,

Perley Lane Homeowners
