Re: Application for Conditional Use Permit, 4 Griffith Drive, Map 14 Lot 2-1
Letter of Authorization

Dear Members of the Planning Board,

This letter authorizes Rockingham County Conservation District (District), project manager Danna B. Truslow, PG to represent me for the Application for a Conditional Use Permit for the proposed Permeable Reactive Barrier to be located on my property at 4 Griffith Drive.

I have executed a Memorandum of Understanding with the District and approve of the project that they will be completing as part of the water quality improvement project funded by the NH Department of Environmental Services.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jessa Doleac', with a long horizontal flourish extending to the right.
