Planning, Assessing  
and Zoning

June 21, 2016

From: Edward McNitt

Subject: Mei Wei Expansion into former Credit Union Space

Michael,

This letter is to express my strong disapproval of the requested expansion of the Mei Wei Chinese Restaurant (which I heartily endorse) into an indoor-outdoor night club and entertainment center surrounded by a residential area.

I base my feelings on a long term familiarity with Durham including about twenty years service on the Planning Board and ZBA.

I would appreciate your passing this comment on to each of the Planning Board Members.

A handwritten signature in dark ink, appearing to read "Edward McNitt", with a stylized flourish at the end.
