RE: Public Hearing Mill Plaza Redevelopment – 7 Mill Road. Design Review.

Dear Members of the Planning Board:

Attached please find photographs that show:

- 1) the foot bridge over College Brook that leads from the Mill Plaza extension (*path to Chesley Drive) over the Town-owned easement to the Faculty Road-Thompson Lane intersection; and
- 2) the path that continues from the bridge through the woods.

As you can see, the path is well-trodden.
