All:

I've reviewed this. It doesn't change my mind. If you would like a multi page letter from me expanding on my earlier opinion, I'm happy to give it, but at the end of the day, Mark and I just disagree. He focuses on the parking lot being a condition of Hannaford's approval. I'm sure it is. But that doesn't make the two applications inextricably connected for town purposes, because it's not required for town approval.
