Todd and Rick-

We wanted to update you on our discussions with Hannaford. After several months, senior representatives of Hannaford have just agreed to conduct a substantive review of our redevelopment plans and to meet with us to go over their concerns. We look forward to working with them and obtaining Hannaford's support of our redevelopment proposal since the plans substantially benefit Hannaford.

Meanwhile, since Hannaford may require changes that result in modifications to our pending application, it makes sense to defer our next meeting with the PB from July to August. Therefore, we respectfully request that you work with the Planning Board to reschedule our upcoming meeting to August 8. We will continue to update you as we are able.

Please confirm receipt of this email, and the requested relief. Thank you.

-Ari
