**Subject:** Concerns regarding Mill Plaza redevelopment  
**Date:** Thursday, January 21, 2021 9:27:47 AM

---

As a resident of Faculty Neighborhood in Durham, I am writing to voice my concerns regarding the redevelopment of Mill Plaza and the Planning Board's actions related to the redevelopment. I urge you to at a minimum accept the Conservation Commission's recommendation that the Plaza redevelopment adhere to zoning's required 75' wetland setback, or even better to completely reject the planned redevelopment by Colonial Durham Assoc (CDA) in favor of a better plan or local purchase.

Sincerely,  
C. Shawn Brown  
7 Burnham Ave,  
Durham, NH.
