Subject: IMPORTANT: Mill Plaza redevelopment
Date: Thursday, January 21, 2021 12:13:43 PM

Dear Planning Board Members,

As a Durham resident, I am writing to voice my serious concerns regarding the redevelopment of Mill Plaza and the Planning Board's actions related to the redevelopment. I urge you to completely reject the planned redevelopment by Colonial Durham Assoc (CDA) in favor of a better plan or local purchase. At a minimum, accept the Conservation Commission's recommendation that the Plaza redevelopment adhere to zoning's required 75' wetland setback.

Sincerely,

Michelle Gibbons
