**Please note:** Modifications are considered to not have significant impact upon abutters nor the general public so no notification nor public hearing is required. Notifications that are straightforward are reviewed by the Town Planner (as "Administrative Modifications"). Modifications that are not as straightforward are presented to the Planning Board. Proposed changes that are construed to potentially have a significant impact are reviewed as amendments, which require public notices and notices to abutters. When a modification is presented to the board, the board may determine that the request should be treated as an amendment, at its option. The applicant must submit any supplementary materials necessary to explain and support the modification, such as a narrative and plans.
