

# Memorandum

**To:** Michael Behrendt, Town Planner  
**From:** Dave Kurz, Chief of Police   
**Date:** October 23, 2019  
**Re:** Boundary Line Adjustment – Lamprey River

---

I have reviewed documents you supplied me reference a modification of the boundary of property owned by Richard Lord enabling the property identified to be sold to the Nature Conservatory.

My review did not detect any issues in the proposal that would create problems for the Durham Police Department's capability to deliver services and is clearly warranted to ensure that the land is preserved in its' current natural state.
