**Subject:** XIII. Public Hearing - Subdivision off Gerrish Drive

To Whom It May Concern:

We regret not being able to make the meeting tonight and hearing the discussion regarding the subdivision of Gerrish Dr. We had a prior engagement that could not be changed, We would, however, like to add our thoughts to anything that was discussed at the meeting. In speaking with our neighbors, we are in agreement with all of their concerns. The traffic is a major concern of ours as we have young children and one of our main reasons to moving to this block was that it was quiet and did not have much automobile traffic.< /div>

Kindly add our concerns and thoughts to the minutes from tonight's meeting.

Thank you very much.
