Town Planner's Review
Wednesday, March 25, 2020

- X. ***Public Hearing - Historic District Amendments***. The original set of amendments was modified so this new hearing is scheduled. Proposed amendments to Article XVII. Durham Historic Overlay District of the Zoning Ordinance pertaining to purview and procedures of the HDC. Proposed by the Historic District Commission.
- I recommend that the board vote to formally initiate the amendments as now written, unless changes are deemed in order.

The Planning Board held one public hearing on the amendments as proposed by the Historic District Commission. The board then made some changes at the March 11 meeting. This second hearing is on the revised draft. The HDC voted to support these revisions at its meeting on March 5.
