Subject: Church Hill Woods parking lot plan

Hello Karen,

I am 100% against the *Church Hill Woods parking lot plan* for three reasons.

1. This plan is an environmental disaster for multiple reasons of which, I am sure, you are well aware.
2. This plan will have an adverse effect on the quality of life of those who live within the line of sight.
3. A much better plan would be to build a small parking garage in a discreet location, perhaps in conjunction with UNH in the parking lot across from the Mill Plaza.

Most sincerely,
Deb Alberts (30 year resident)
