Subject: Comments on proposed Church Hill Woods parking lot
Date: Wednesday, June 8, 2022 9:01:38 AM

Dear Durham Planning Board,

We are writing to express our concern regarding the proposed Church Hill Woods parking lot.

As has been thoroughly documented by others, this plan does not comply with zoning requirements. It is absurdly out of line with conditional-use criteria, making a mockery of the standards. It would be deeply destructive to the quality of life of residents of the Faculty Neighborhood. Aesthetically and environmentally, the plan is a nightmare that would damage the natural and historic beauty of the Church Hill District.

We urge the planning board to reject this ill conceived, destructive plan.

Sincerely,

Nathanael & Jessica Stewart
