Hello Michael,

I am currently a Jr at UNH and Durham is desperate need of more affordable and accessible parking. I currently live downtown Durham and there is no place close to my apartment to park, which left me to have to park down by the horse farm and walk at 6 am to my car for work. If there is any way that Durham could obtain more parking for off campus students, visitors and even locals outside of the 2 hour parking that would be amazing. Parking is definitely one of the biggest issues facing this town and school and should be fixed as soon as possible.

Thank you,
Dan Shooshanian

Good afternoon Peter!

I am reaching out to inquire if there are any spots opening in your parking lots near downtown for the remainder of this semester since classes moved online and some students went home. I work several 12-hour night shifts at the hospital/week and would appreciate a parking pass closer to my apartment downtown.

Thank you!!!

Hi Lisa!

I just got off the phone with Peter, and he gave me the okay to drop off the paperwork and check this weekend, to secure my parking spot for next year, as I won't be in Durham again until Saturday.

Please reserve me a spot at 19 Main for the 2021-2022 year, as I am committed to dropping off the paperwork and payment this weekend!

Thanks

Hi Lauren,

Thank you for your email. We did note, in the original email, that the full packet of paperwork and full payment are due by April 1 to reserve your pass before we open it up to everyone else.

We are unable to hold a pass prior to receiving payment. You are welcome to reach out to Peter when you are prepared to move forward and see if he has permits left.

Regards,
Lisa

Let me know if this is a possibility!
