Town Planner's Review
Wednesday, April 12, 2023

- IX. ***Public Hearing - Climate Action Master Plan.*** Review of a draft climate adaption plan. This plan was prepared by Strafford Regional Planning Commission. Presentation by Jen Czysz, Autumn Scott, and Kyle Pimental, SRPC. The draft may be approved as a master plan chapter or an administrative plan.

I recommend the board discuss the draft and continue the public hearing. We received additional comments from the Agricultural Commission on March 17 and I need to coordinate with the commission and SRPC on how best to incorporate them into the draft. Other than those comments, the comments I have received so far are fairly minor. We will see what comments people have at the public hearing.
