Hello Michael and Tracy,

I support the planning board's approval for Harmony Homes Child Day Care being available to the public. We have a need in our community and hopefully the children and staff will have opportunity to interact with assisted living residents....that location seems perfect for all ages!!

Thanks for passing this along to our planning board.

Take care,

Hi Lorraine,

Any way that you wish to state your support is fine – with an email, at the hearing in person, or at the hearing on zoom.

Hello Michael,

Thank you for sending this information. I would like to support the owners of Harmony Homes expanding childcare services beyond employees to include the public? Should I attend the meeting? or could I go on record with a specific email.

Also glad to see Gerrish Development has been afforded an extension.

Thanks
