Dear Mr. Behrendt,

I am writing as a member of the Durham community in support of the conditional use application submitted by Arts In Reach (AIR) for the use of 81 Dover Road as a Community Center.

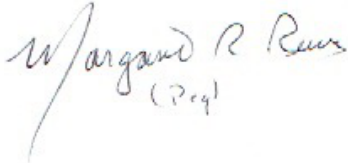

I live at 5 Marden Way, Durham and am a supporter of AIR. I wholeheartedly support the Arts In Reach mission to support the healthy development and well-being of young people in our community.

The results of AIR's impact on a vulnerable population of adolescents over the past 26 years is remarkable. No other organization offers this type of evidence-based and trauma-informed arts programming. These programs are needed more today than ever before.

I strongly encourage the Planning Board to approve this application and allow AIR to flourish in Durham, providing even greater benefit to our community. Thank you.

Kind regards,

Margaret R. Reeves
