Subject: Arts in Reach Conditional Use

You don't often get email from kinnzinky@gmail.com. [Learn why this is important](#)

Dear Mr. Behrendt,

I am writing as a member of the Seacoast community in support of the conditional use application submitted by Arts In Reach (AIR) for the use of 81 Dover Road as a Community Center.

I have lived in the Seacoast for the last 35 years living in Somersworth. I volunteer on the Board of Directors of AIR, and am also a prior AIR participant. I am a strong supporter of AIR and its mission to support the healthy development and well-being of young people in our community.

The results of AIR's impact on a vulnerable population of adolescents over the past 26 years is remarkable. I can speak first hand to the long lasting impact these programs have on the teens it serves.

I strongly encourage the Planning Board to approve this application and allow AIR to flourish in Durham and provide even greater benefit to our community. I

look forward to the day AIR can call Durham it's home. Thank you.

Kind regards,

Katyanne Zink
