Town Planner's Review
Wednesday, May 14, 2026

XII. **Assignment of Planning Board members to other Town Committees.**

To the Planning Board. Please give some thought to which committee you might want to serve on as the Planning Board representative.

Please note. Board members are not required to serve on another committee and if your schedule does not allow or you prefer to not serve on another committee, then that is fine.

Here are the current Planning Board assignments:

Agricultural Commission – *Vacant*. The commission meets on the second Monday of each month at 7:00 pm. Here is their website: https://www.ci.durham.nh.us/boc_agricultural

Conservation Commission – *Rob Sullivan*. The commission meets on the fourth Monday of each month at 7:00 pm. Here is their website: https://www.ci.durham.nh.us/boc_conservation

Energy Committee – *Paul Rasmussen*. The committee meets on the first Tuesday of each month at 7:00 pm. Here is their website: https://www.ci.durham.nh.us/boc_energy

Historic District Commission – *Sally Tobias*. The commission meets on the first Thursday of each month at 7:00 pm. Here is their website: https://www.ci.durham.nh.us/boc_historic

Integrated Waste Management Advisory Committee – *Paul Rasmussen*. The committee meets on the first and third Wednesdays of each month at 8:00 am. Here is their website: https://www.ci.durham.nh.us/boc_waste/integrated-waste-management-advisory-committee-8

Minor Site Committee – *Rob Sullivan*. The minor site committee meets infrequently, only when there is a minor site application. The time would be variable.

Technical Review Group – *Rob Sullivan*. The committee meets on Tuesdays at 10:00 am the week prior to a Planning Board meeting when there is a project to review. The committee meets only a handful of times each year. The committee is composed of staff members and a representative of the board. WE meet with project applicants to discuss their projects and offer comments. No votes are taken by the committee.

Traffic Safety Committee – *Peyton McManus*. The committee, composed mostly of staff members, meets only when there is business to discuss, several times each year, usually on a Thursday morning at 9:00 am. Their purpose is to advise the Town Administrator on various issues related to roads and traffic.
