

Durham Parking FAQ

With the installation of the new parking Kiosks in the downtown area, it is an appropriate time to provide some facts about them and how the parking system is designed to work.

The kiosks are a “pay and display” system where customers deposit coins, paper currency, debit or credit cards and receive a receipt that displays the allocated time period that they paid for allowing their vehicle to be parked in a designated space. The receipt must be placed on the interior dashboard so that the parking and police personnel can easily read it from outside the vehicle or the vehicle will be in violation.

Parking enforcement will occur Monday through Friday 8:00AM through 6:00PM. There is no charge for Saturday and Sunday or any holiday.

It's all about the location:

Downtown Parking Areas

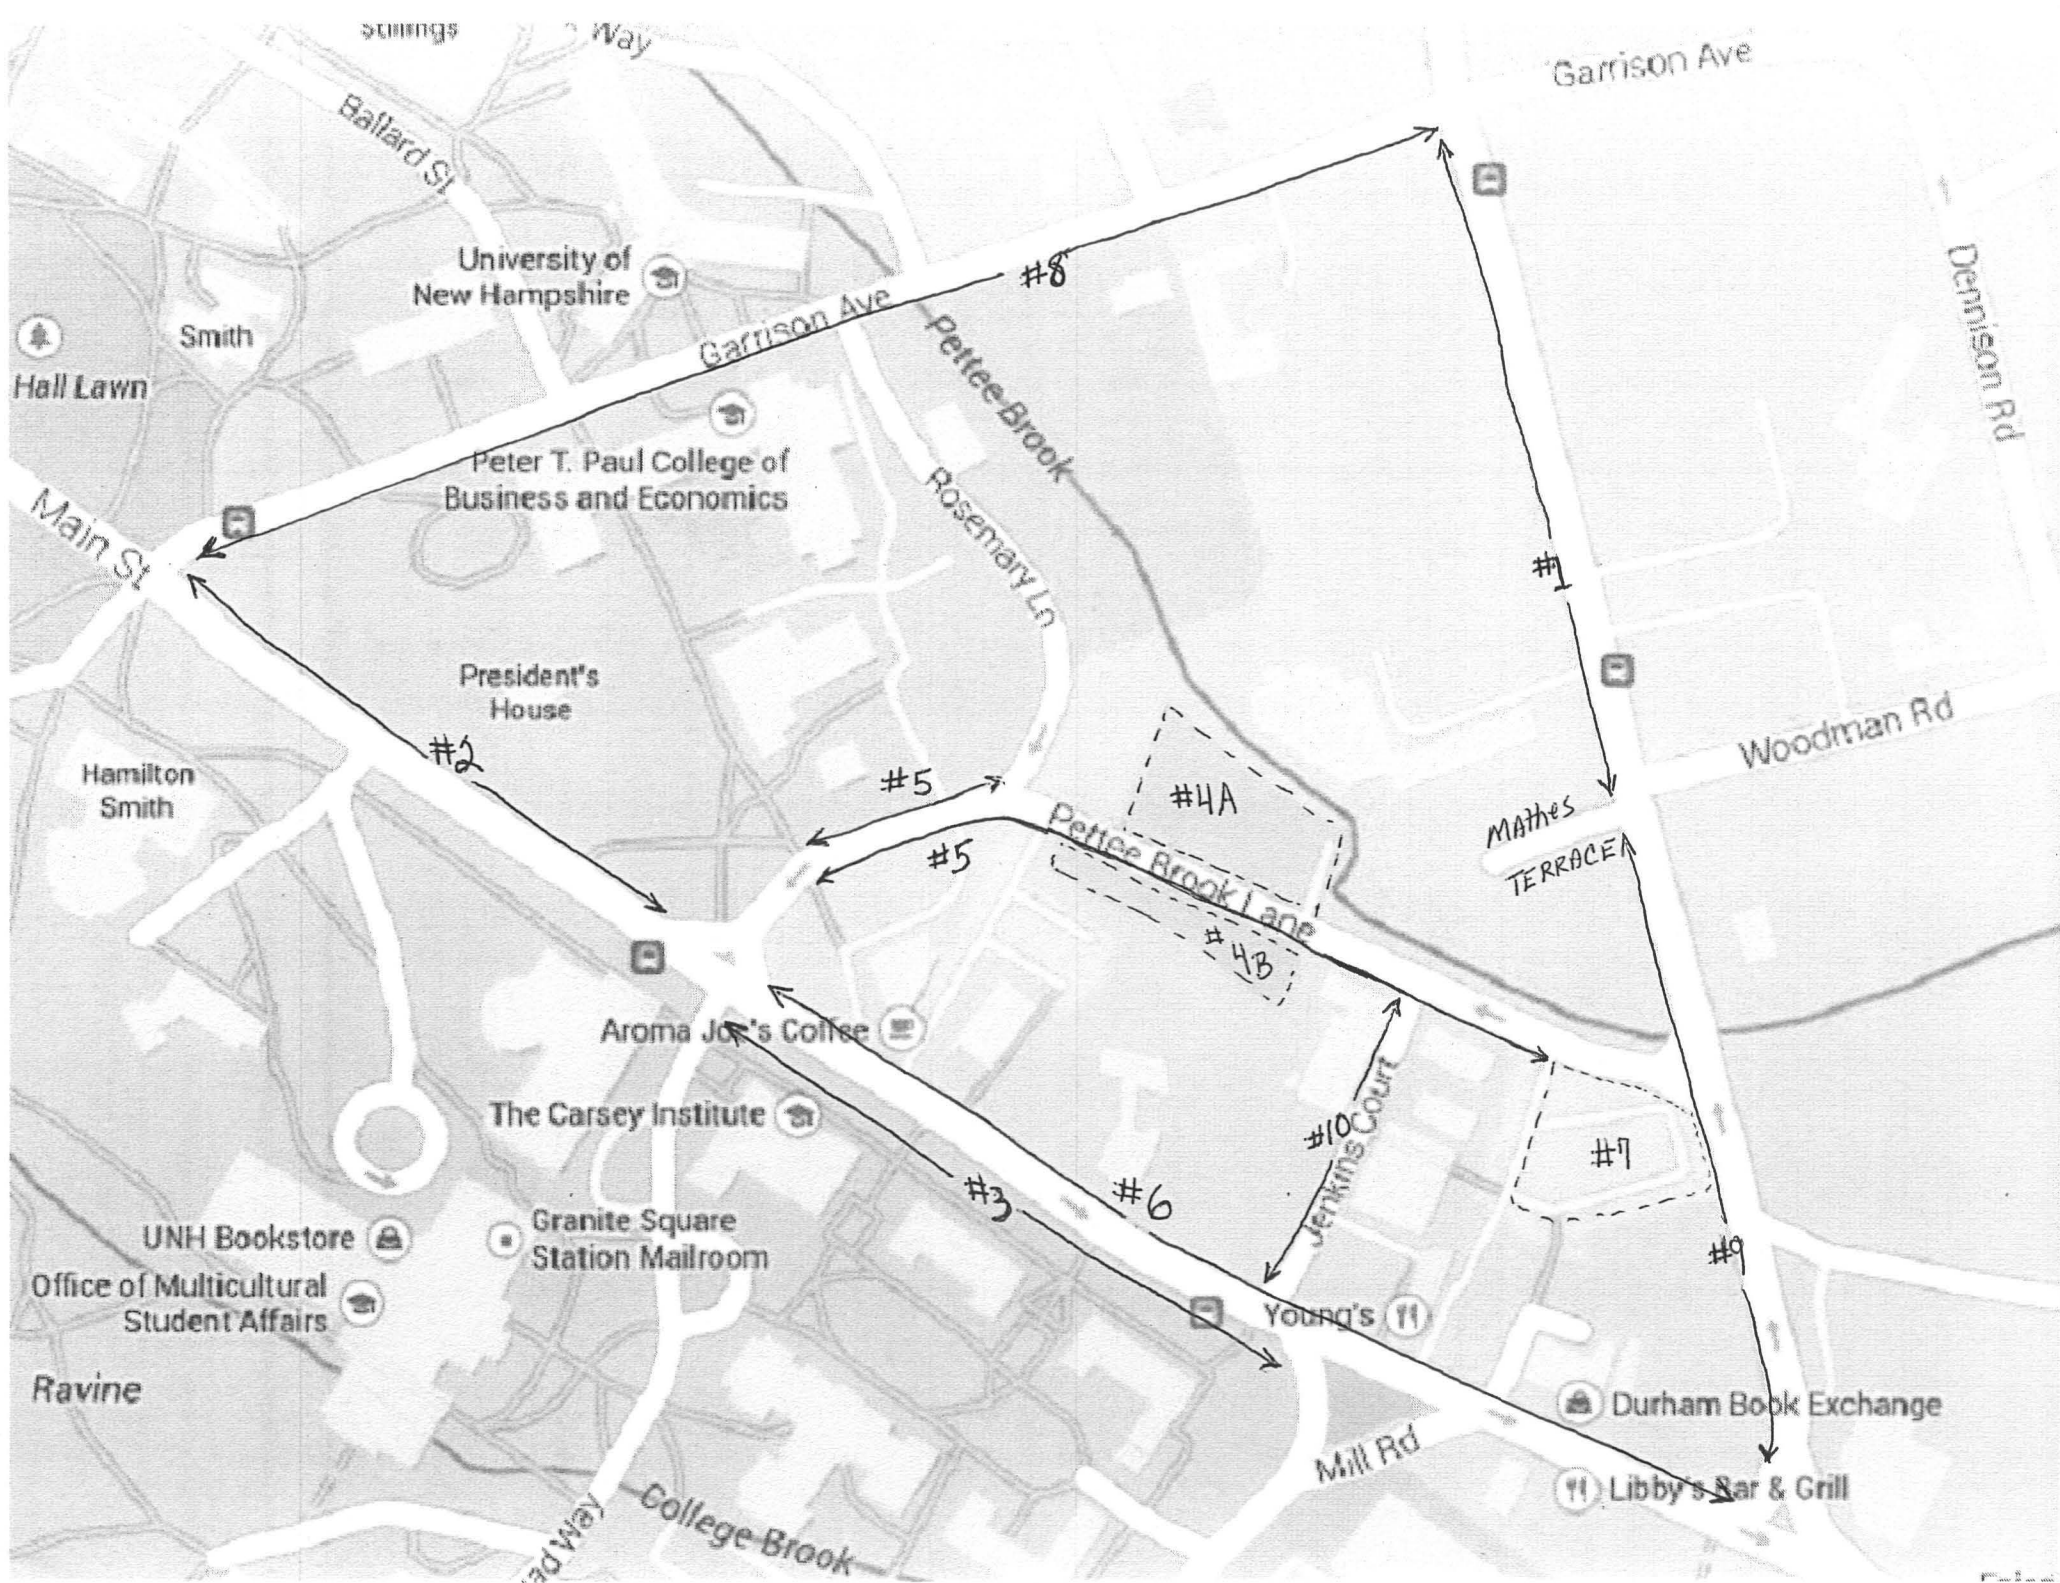

Kiosks in the immediate downtown business area are designed to create turnover and ensure that spaces are available for customers. For these short-term, shopping, dining parking spaces, parking is free for the first hour. A customer can select the free hour and receive a receipt that states the time of expiration. Customers can purchase 2-hours of parking at these locations for \$1.00 (first hour free, 2nd \$1.00). The most a person can purchase is 2-hours! If you are a Durham resident displaying a current and valid sticker acquired at Town Hall, the free hour parking ticket will be recognized by the Parking Enforcement Officer as a 2-hour free parking ticket. As an example a Durham resident can get free parking for 2-hours and purchase an additional hour for \$1.00 for a total of 3-hours for only \$1.00.

Exterior Parking Areas

Kiosks in closer proximity to the University of New Hampshire allow for parking to be purchased in multiple hours up to 12-hours if the customer so desires! For these long term areas, pricing is \$1.00 for the first 2-hours and \$1.50 for every hour thereafter. This price structure applies to kiosks located on Main Street in front of Huddleston Hall, the President's House, Garrison Avenue, Pettee Brook Lane, Pettee Brook parking lot, Madbury Road between Garrison Avenue and Mathes Terrace

There is no change to the Business Parking Permit system which allows permit holders to park in both of the Pettee Brook lots.

If there are unanswered questions, please feel free to contact the Durham Police @ 868-2324!
