

*DEPARTMENT OF PUBLIC WORKS  
TOWN OF DURHAM  
100 STONE QUARRY DRIVE  
DURHAM, NH 03824  
603/868-5578*

April 5, 2013

Dear Madbury Road Resident,

The Town has been working with Public Service Company of New Hampshire and the United States Forest Service to establish a plan for hazardous tree removals. The plan specifically targets the Madbury Road corridor, which often suffers power outages due to various weather events. The plan is now ready for public comments. You are cordially invited to a public meeting to review this plan and comment on its contents. This meeting will be held at:

Durham Town Offices  
15 Newmarket Road  
Monday, April 29, 2013  
@ 7:00pm

If you are unable to attend this meeting on April 29<sup>th</sup>, it will be broadcast on Channel 22. The Town will also accept written comments at the above address for several days after the public meeting. You can also call me directly @ 868-5578 with any concerns or recommendations.

Hope to see you on the 29<sup>th</sup>,

Sincerely yours,

Michael Lynch  
Director of Public Works
