# **POSITION OPENING**

## **Heavy Equipment Operator**

The Town of Durham in New Hampshire's seacoast region is one of the most beautiful and desired locations in the State and is home to the University of New Hampshire. The Durham Public Works Department, a recognized leader in the Public Works field, is fully integrated and progressive using modern equipment and facilities to achieve its goals. The Department is seeking a highly qualified team member to join an exceptional team of Public Works professionals to serve in the role of Heavy Equipment Operator.

The successful candidate will undertake rewarding and challenging work involving the maintenance and construction of roads, sidewalks, and drainage conveyance systems to ensure the safety and functionality of the Town's multi-modal transportation network. In this versatile and exciting role, you will report to the Operations Manager and Assistant Public Works Director.

This full-time position offers excellent medical, dental, life, and disability coverage, paid time off, and eligibility in the State of New Hampshire retirement plan. Salary range for this position is from **\$22.74 to \$25.91/HR**, depending upon qualifications.

The successful candidate will have a minimum of three (3) years of experience in heavy equipment operation. Applicants will have a current State of New Hampshire Class B Commercial Driver's License or out-of-state equivalent. This position requires emergency response on a 24/7 basis, a rotational stand-by schedule, and performing work in adverse weather conditions.

Applications and a more detailed job description are available at the Department of Public Works Main office or online at [www.ci.durham.nh.us/jobs](http://www.ci.durham.nh.us/jobs).
