

**Town of Durham, New Hampshire**  
**Department of Public Works**  
**Public Works Project Engineer**

Durham Public Works, located in the beautiful Seacoast region of New Hampshire, is a recognized leader in the Public Works field. We are seeking a highly qualified team member to join an exceptional team of public works professionals to serve in the role of Project Engineer. In this exciting role you will take on challenging and rewarding work involving water supply, wastewater collection and treatment, coastal resiliency planning and construction, sustainability, street and highway design and construction, solid waste management, technical reviews, and stormwater management.

Durham Public Works is a fully integrated and progressive Department with modern equipment and facilities. The position includes performing civil and environmental engineering activities associated with the investigation, design, maintenance, and construction of public works projects. The position requires a Bachelor of Science degree with major course work in civil engineering from a recognized college or university with a minimum 3 years of responsible experience in the field of civil engineering, including design and inspection. The successful candidate must be proficient in Microsoft Office computer software applications, stormwater modeling software, and geographic information system software. Must also have competency in using engineering/survey instrumentation.

Salary range for this position is from \$65,233 to \$83,024, depending upon qualifications. This position includes a generous benefit package, NH Retirement System, Health, Dental and Paid Time off. A copy of the job description is located on the Town of Durham's website: <https://www.ci.durham.nh.us/publicworks/public-works-administration> .

Send resume and letter of interest to Town of Durham, Attn: Janice Richard, Assistant to the Public Works Director, 100 Stone Quarry Drive, Durham, New Hampshire 03824 or by email to [JRichard@ci.durham.nh.us](mailto:JRichard@ci.durham.nh.us) by 4:30 PM on April 22, 2022 .
